Kahvekolik

Turkish Coffee Machine

AQUA

Automatically Coffee Making for 1,2,3 and 4 Cups of Coffee

Thanks to its special design, it makes coffee up to 4 people and beeps 3 times when ready.

Fast or Slow Cooking Option

Two different cooking options are available for your choices.

Waterless Use Protection

When enough water is not inside the water tank, Kahvekolik Aqua measures the water level and warning signal activates.

Blue Lighting for the Transparent Water Tank

Even in the dark rooms, blue lighting helps to see the water level.

Overflow Sensor

Protects overflow from the coffee pot.
