1995 yılında küçük bir çini atölyesi ile başladığımız yolculuğumuz 2012 yılında 8.000m² kapalı alana sahip sofra seramiği üretim tesisimizin açılışı ile devam etmiştir. Mevcut tesisimize yaptığımız yatırımlar ile çalışan bilgi ve becerilerini ve teknolojimizi arttırmış ve bunların sonucu olarak yüksek ürün kalitesi ve çeşitliliğine ulaşılmıştır.

2019 yılında yatırımına başladığımız 45.000m² kapalı alana sahip ikinci tesisimiz ile 40 dan fazla ülkenin ve ülkemizin porselen ihtiyacını karşılamaktayız.

Ürünlerimizi kullanıcı guruplarına göre ev ve horeca olarak iki gruba ayırabiliriz.

Ev kullanıcıları için mutlu sofralar yaratacak ve sofralarına zarafet katacak ürünler tasarlarken, horeca kanalına da en

güncel tasarım trendlerini sektörün ihtiyacı olan dayanıklılık standartlarına uygun olarak sağlamayı amaç ediniyoruz.

Amacımız zarafet ile bilgi, deneyim ve teknolojiyi harmanlayarak dikkat çekici ürünler üretmek ve bu ürünlerin uzun yıllar boyunca kullanılmasını sağlamaktır. Hem ürünlerimiz ile emeklerini sunanları hem de ürünlerimiz ile oluşan lezzetli sunumları deneyimleyenlerin yüksek memnuniyetleri için çalışmaktayız.

2019 yılında tamamladığımız ve 2021 yılı itibari ile üretime başlayan yeni üretim tesisimiz ile beraber büyük bir kapasiteye ulaşmış durumdayız. 2021 yılı itibari ile hem form hem de dekor olarak yaptığımız ürün geliştirme çalışmaları ile pazardaki ürün çeşitliliğimizi sürekli arttırdık.

Önümüzdeki yıl içinde de planımız Ar-ge faaliyetlerine önem vererek pazarlara farklı ve daha önce yapılmamış tasarımlar sunmak olacaktır.
